## 2. Term of Validity of Eco Mark Certification(Utilization Period)

### March 25, 2022 to December 31, 2027 (Validity term of the certification criteria)

Eco Mark Utilization Contract is continued with the payment of Annual Fees made for each period every year subject to payment until the expiry date of above term of validity.

The term of validity of this contract, however, will be extended in accordance with the extension of validity term of the certification criteria, under procedure stipulated separately, to which the Eco Mark product(s) belong(s) to.

In addition, in the case that the contract is cancelled by either cancellation on consent based on contractor's application, revocation of certification or nonpayment of utilization fee, certification of the product will be discontinued retroactively to the date of cancellation or date of revocation.
